

Bridestowe Primary School – With Respect and Ambition We Flourish Together

14/10/2022

Personal Development

Personal development is one of the cornerstones of school life at Bridestowe. We strive to ensure all children have the opportunity to thrive in their particular interests and skills. In recent weeks we have taken part in Tag Rugby tournaments, coding workshops, singing, junior life skills and much more. Growing the whole child for the future.

Tag Rugby Festival

Year 3 and 4 travelled to Okehampton Primary School recently to take part in a tag rugby festival and competitive games. A great time was had by all! Thank you to Mrs Speirs for kindly helping on the day.

Coding Workshop

Yesterday, Seb, Alice and Tommy were joined by friends from Lydford for a coding workshop at Immersion in Okehampton. The children thoroughly enjoyed the experience and worked well as a team!

French Trip Information Session

If you were unable to attend the French residential parent information session – please see the attached resources.

Parental Book Look

Thank you to all parents who came to see the children's books at our recent book look. The children were so excited and happy to be able to share their learning. There will be another book share and homework share on the 21st October at 09.00.

Open the Book

We have recently restarted our Open the Book assemblies with the Methodist church. The children thoroughly enjoy these and talk excitedly about what they have learned.

Owlets Village Walk

Owlets walked around Bridestowe village earlier this week as part of their Geography learning. The children learnt about the different businesses, buildings, and open spaces in our community.

Parent Consultations

Thank you to those of you who have booked a parent consultation. We are looking forward to welcoming parents on the 19th October. A confirmed timeslot will be sent to you shortly.

Help make Devon the best place to grow up

Devon County Council's ambition is to be the best place to grow up and they want to encourage everyone across the county to help them and actively play their part.

To help promote this, Devon is creating a new visual identity for people to unite and rally around. They've engaged with a range of people (children, young people, families, delivery partners) to help shape this.

From the feedback received so far, they've created three ideas for names, straplines and the visual identity. Devon now wants to hear your opinions on which parts of these ideas will help achieve the ambition, particularly thoughts from parents, carers and guardians

If you'd like to help shape the outcome of this important and exciting piece of work and make Devon an even better place for children, young people and families to grow up in, please complete the short survey before Friday 21 October.
