Times tables: With all the work on fractions over the past few weeks, we can see how knowledge of times tables is a huge help, especially when finding equivalent fractions.

Topmarks is a good place to practise them: [Times Tables Games for 7 to 11 year olds \(topmarks.co.uk\)](#)

Supermovers will give you some helpful reminders: [Times tables collection - BBC Teach](#)

Speed test: [Times tables Speed Test X - Timestables.co.uk](#)

Keep practising **spelling** 5 words each day from your list, then testing how well you know them on Friday.

Monday – KS2 assembly by Zoom:

Foundation subjects this week (please choose an activity from the list):

Science

Explore these experiments (All instructions will be on share point and Class Dojo)

At Chinese New Year people celebrate with dragon dances. Create your very own dance in a jar.

<https://www.stevespanglerscience.com/2013/03/19/dancing-spaghetti-a-lesson-in-density/>

The Chinese created the first fireworks and they are very popular at Chinese New Year celebrations.

Create fireworks in a jar.

<https://youtu.be/hejd3eefISU>

Write instructions and an explanation of each experiment.

Geography

Locate China on a World Map and find out about its capital city. (Resource on share point and Class Dojo)

Create a travel brochure/ poster/ video promoting China. Make sure you include any interesting facts. (Power points on sharepoint and Class Dojo)

Think about the continent, Oceans, rivers, landmarks, countries, climate.

Create the Chinese flag.

<https://kids.nationalgeographic.com/explore/countries/china/>

This song may help you remember facts about China.

<https://www.youtube.com/watch?v=fQAI9-4qiIQ>

History

The Great Wall of China is a famous landmark in China and it can be reportedly seen from space. Create a model of the wall and write a historical fact file. Who created it?

Why was it created? When was it built? How was it built? Where is it?

See power points on share point and Class Dojo.

<https://www.youtube.com/watch?v=YqTocR8N8Lg>

Read or listen to the Chinese New Year story. <https://www.bbc.co.uk/cbeebies/stories/lets-celebrate-chinesenewyearperformance>

Order the animals by drawing them or using the resource.

Art & DT

Chinese New Year is a two week long celebration marked by gift-giving, food-sharing, fireworks and much joyful celebration. The festival traditionally takes place at the end of winter and marks not only a start of a new year, but the coming of spring. To celebrate Chinese New Year we would like your to create some artwork to mark the celebration.

Create a Chinese dragon from junk or construction materials.

Paint a Chinese blossom tree painting.

Have a go at Origami. Can you look at the year you were born and create your Chinese zodiac animal? Chinese zodiac power point. (Share point and Class Dojo)

See Class Dojo for this week's PE challenge from Miss Scullion.

Go for a walk. How far can you walk? How many steps did you do?

PE with Joe Wicks.

Watch dragon dances for Chinese New Year and then create your own dance.

<https://vimeo.com/337517163>

Ride your bike/ scooter for 30 minutes.

Computing

Use your computer to research China.

Use RM Easi maths.

Music

Music has always been a part of the ancient Chinese culture. Music in ancient China was used for pleasure, religious ceremonies, announcements, dance, entertainment, and to match or blend with the sounds of nature.

The ancient Chinese were the first to divide instruments into groups. They divided them into eight categories, sorted by the material with which an instrument was made.

The categories were silk, bamboo, hide, clay, gourd, metal, stone, and wood. These 8 categories are still in use today in China.

Listen to some Chinese music and as you are listening paint a picture or write some words to describe how it makes you feel.
