23rd March 2022

Dear Parents and Carers,

I am writing to you today to update you regarding the current Covid situation and how we are addressing events at school in the final weeks before Easter.

As always, the safety and wellbeing of children, staff and the community is our highest priority. There has been a rapid rise in cases locally and within Dartmoor Multi Academy Trust schools. In order to mitigate against further transmission, please see the following measures:

- Non-Essential visitors will be asked to postpone or adapt their visits to school
- Any visitors on site must follow strict hygiene practices
- Non-essential visits to other schools for our staff have been postponed.
- The wearing of masks for adults is strongly advised in communal areas
- Enhanced hand washing for children and adults
- Hand sanitisation points
- Enhanced cleaning regimes
- Daily LFT testing for adults on site.
- Enhanced ventilation within school
- Carbon Dioxide monitors to ensure appropriate ventilation.
- Enhanced vigilance for symptoms of Covid-19.

Thank you for your continued support and vigilance during these challenging times. I will contact you regularly with updated information if and as things change and assure you – as our contingency measures dictate – that we have added measures in school to reduce the risk of infection between members of the school community.

Yours faithfully,

A handwritten signature in black ink that reads 'Adam Hill'.
