

# Owlets

Dear Parents and Carers

The Owlets learning this half term is 'My World Growing Around Me' where we will be exploring Farming, growing and Easter.

On a Monday we will have 'Wow Weekends' where children can talk about their weekend and bring show & tell to talk about. This helps to develop children's speaking, communication and listening skills. On Wednesdays children explore the environment in Forest School - they will need welly boots in school on this day. Children will have PE on a Monday and will have swimming lessons on Fridays. They will bring their PE kits home on a Thursday so they can wear their PE kits on Fridays to school.

Children will bring home Read Write Inc reading books in their book bag; please read with your child 5 times a week and record this in your child's yellow reading diary. Children will also have writing formation books in their book bags to practise letter formation, and these need to be in school every Monday.

Our Home learning this half term is based on our topic. Please choose an activity to do with your child. Home learning needs to be in school by Wednesday 29<sup>th</sup> March.

<p>Create an Easter Bonnet.</p> 	<p>Plant a sunflower seed and take photos of each growth.</p>  <p>Seed will be sent home with a pot.</p>	<p>Be a shape detective and find 3D shapes in your home environment.</p> 
--	--	---

If you have any questions about your child's learning; then please do feel free to talk to us before or after school, or send an email to admin. We are always happy to help.

Kind regards

Lisa Baker and Maggie Sherring
