

Whole School

Dear Parent/Carer

Although the school is temporarily closed due to the Coronavirus, we are continuing to provide education for your child.

If we were all in school for the final week of term, we would be following a relaxed timetable and we would be completing fun activities and transition activities. Therefore, this week we have decided to provide you with similar activities based around a relaxed timetable. As we reach the end of the academic year, it is also a good time to reflect. This week you will have a range of activities which will allow you to reflect and look forward to the coming year.

There is a table of activities and you can choose what you would like to do and when you want to do it but try to do a mixture of different coloured activities. Most importantly, have fun doing them!

You also may like to complete activities from previous weeks which you did not get chance to do.

White Rose Maths are still providing lessons and worksheets, so, if you would like to complete these please follow these links for the website and worksheets:

Some of the children know that Mr Parsley was due to be getting married on July 4th, however due to the Coronavirus this did not happen and has been delayed until later in the year. But can you please try and help Mr Parsley to write his wedding speech?

Can you say (in a video) or write what you think is important in a marriage? Is there any advice for Mr Parsley for when he gets married? What makes the perfect husband? Parents please feel free to add your own ideas too...

Reflection questions:

The list of reflection questions below could be discussed with a grown up or made into a booklet for you to keep and look back on when you are older.

1. What is something we did this year that you think you will remember for the rest of your life?
2. What is something you accomplished this year that you are proud of?
3. What was the nicest thing someone in our class did for you this year?
4. What was the most challenging part of this year for you?
5. Where is your favourite place in our classroom (or school)? Why?
6. If you could change one thing that happened this year, what would it be?
7. What are three things you did this year to help your classmates?
8. What are the three most important things you learned this year?
9. What is something that was hard for you at the start of the year but is easy now?
10. In what area do you feel you made your biggest improvements?
11. What is your favourite part of the day in our class? Why?
12. What is something you taught your teacher or classmates this year?
13. Of the books you read this year, which was your favourite? Why?
14. What was the best piece of writing that you did this year? Why do you think it is your best?
15. What person at our school has made the biggest impact in your life this year? Why?
16. What is something the teacher could have done to make this year better?
17. What are six adjectives that best describe this school year?
18. Knowing what you know now, if you could write a letter to yourself that would travel back in time so that you would receive it at the start of the school year, what advice would you give your younger self?
19. When you consider the rest of your life, what percentage of what you learned this year do you think will be useful to you?
20. What advice would you give students who will be in this class next year?

My bag of concerns

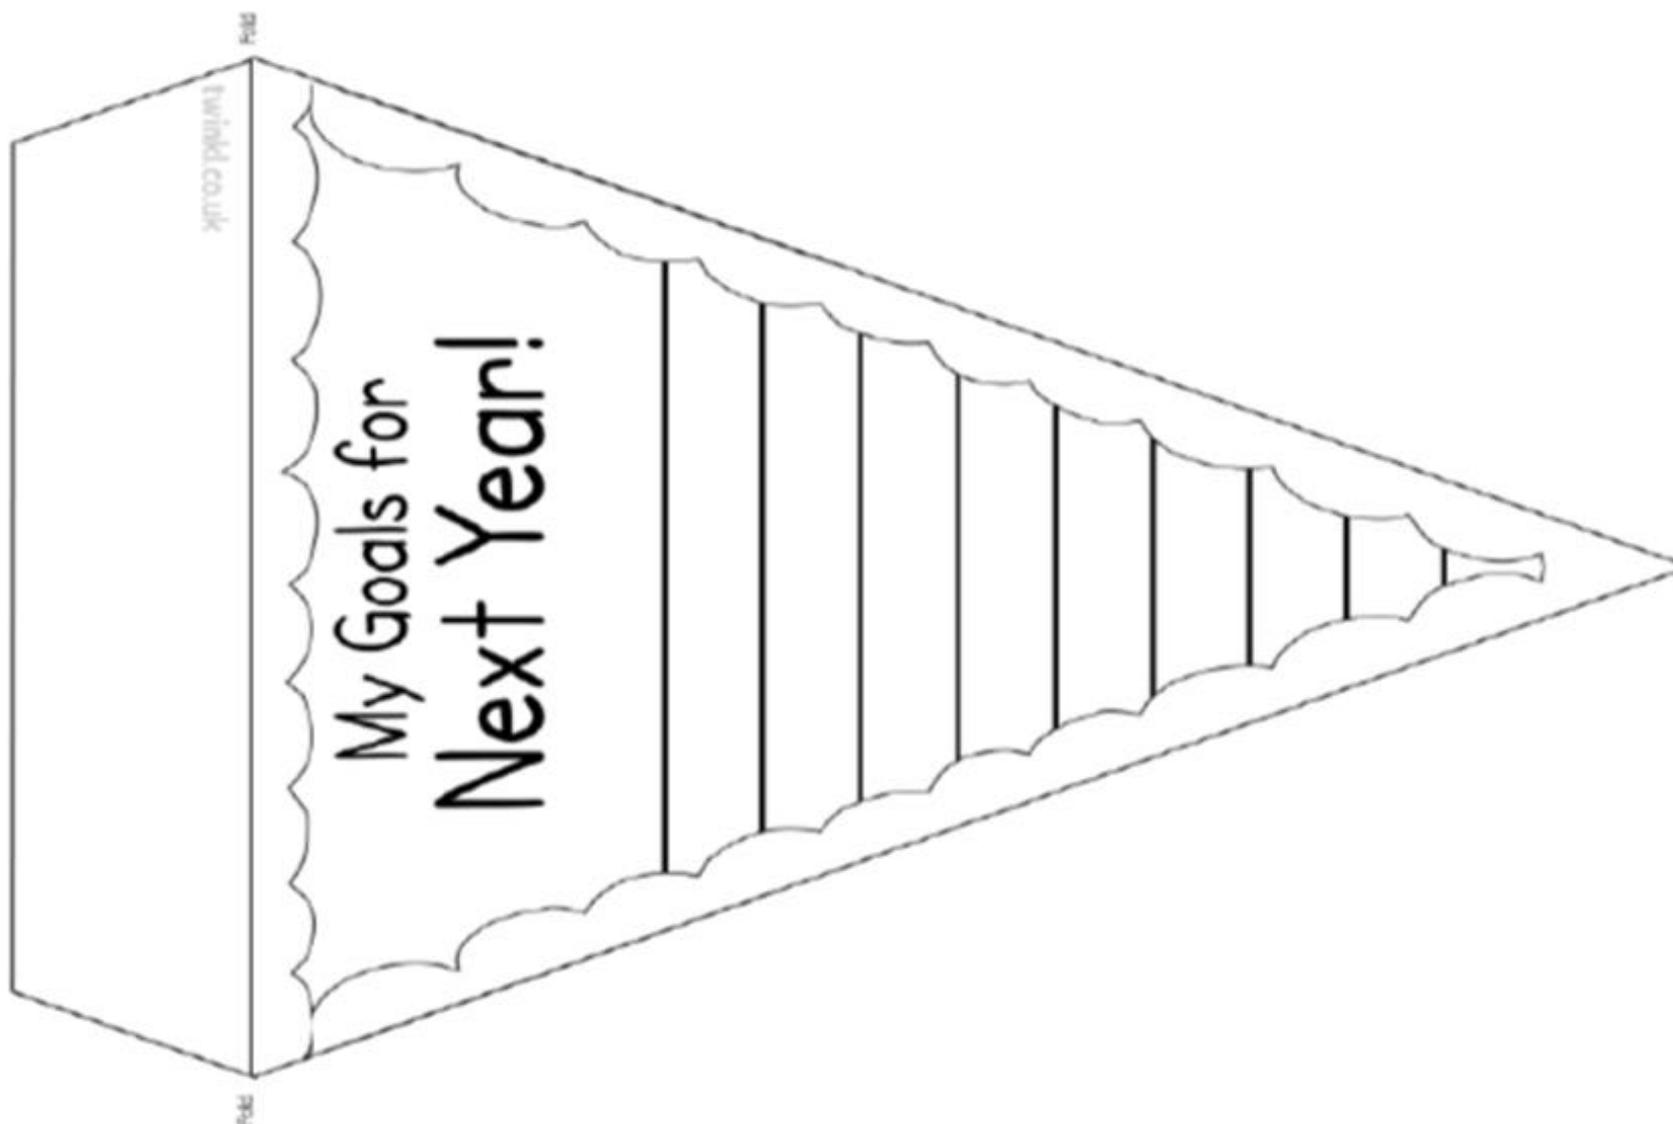

Either write your concerns about next year onto little strips of paper and put them into a bag or container **or** write them down inside of this bag template. Sometimes, just writing down our worries can help!

Maybe even try to discuss these concerns with an adult and either write how or when you will feel better about this e.g **I am worried that my new teacher is strict** **I will feel better when I meet them.** You can do this either on the back of your paper strips or on the outside of your 'bag of concerns'.

Goals for next year bunting

Write your goals/ aims for next year on this bunting template. Think about what you want to achieve both in school and outside of school. You can either take this in to your new teacher when you start back at school, or you could draw pictures of your 'goals' and how you will achieve them on the blank bunting template below and hang these up in your room with some ribbon or string to remind yourself of your aspirations. **Make sure you ask an adult to help you to hang your bunting!**

Memories poem by Lenore Hetrick

Memories

We may complain about our school work,
Perhaps we think our lessons hard.
We'd much prefer to be out playing,
And running in the big schoolyard.
But with the passing of the years
The dearest memories we'll call
Will be of hours that we have spent
Within the old gray schoolhouse wall.

We may consider it a trial
To have to add and multiply,
And lessons in geography
Bring many a long-drawn, anxious sigh,
But with the passing of the years
When time has cast its purple haze,
The memories that we will treasure
Will be of long-gone, old school days.

Party planning!

This is YOUR party! You can make it a 'pretend' party and invite celebrities and have it on the moon OR you could keep it simple with a picnic in the back garden with your toys. There is just one rule...

HAVE FUN planning!
