

WEEKLY EXPECTATIONS

Reading and Spelling	Please read with your child at least 5 times per week. Your child has been given a bookmark with comprehension questions that you can adapt to the book that your child is reading. Please record every time your child reads to you to give them a chance of being in the reading raffle each Friday. Children have a list of words linked to our weekly spelling focus – please explore and use these words with your child at home.
Maths	Each homework sheet correlates with the work that children are doing in class that week. Therefore, please only complete the sheet with the correct week on. Please return the folder by 18/12/24 so your class teacher can set the following half terms tasks.

HALF TERMLY PROJECTS

These activities are linked to the children’s wider curriculum learning. This half term, we are learning about The Rock Cycle in Science and Villages, Towns and Cities in Geography. Please choose one project from below or design your own focus. Completed projects need to be in school by 18/12/24 ready to share.

<p><u>Types of rocks.</u></p>  <p>3 Types of Rock - a science song - YouTube</p> <p>Watch this video and write about the 3 different types of rocks – what are their names? How are these rocks formed?</p>	<p><u>Fossils.</u></p> <p>Research what a fossil is and explain how it is formed. Explain how geologists use fossils to help them date animals and plants and formulate ideas about what was living many thousands of years ago.</p> <p>This website has lots of information to help. Fossil Facts For Kids Types of Fossils DK Find Out</p> <p>You could even try making your own replica of a fossil.</p>	<p><u>Classifying rocks.</u></p> <p>Go on a rock hunt and have a go at classifying the rocks which you find. How do geologist classify rocks?</p> 
<p><u>Cities, Town and Villages</u></p> <p>Watch this video: Cities, towns and villages - BBC Teach</p> <p>Can you answer these questions about what you have watched?</p> <ul style="list-style-type: none"> · <i>What is a locality?</i> · <i>What are the key features of a village?</i> · <i>What are the key features of a town?</i> · <i>What are the key features of a city?</i> · <i>How are villages, towns and cities connected?</i> 	<p><u>Be a town planner!</u></p> <p>Create your own new town.</p> <p>Build a model of your new town – what will it be called? What facilities will it have? E.g. hospitals, shops. How will you make this town a good place to live? How could you consider the environment when building your new town?</p>	<p><u>Information presentation</u></p> <p>Make a presentation about a village, city or town which you know lots about. You could include illustrations or photographs. You may like to write your ideas or record yourself talking about this place.</p>
