## Week 2 & 3 - Spring 2021

Dear Parent/Carer

Although the school is temporarily closed due to the Coronavirus, we are continuing to provide education for your child.

Please see the attached home learning tasks for your child to complete this week:

- Reading (minimum 20 minutes per day)
- 5 hours of English across the week
- 5 hours of Maths across the week
- Please supplement with online learning
- Please refer to class dojo where there will be PowerPoints and tutorials to support learning.

Please upload learning onto Class Dojo.

## **English**

Please follow the link to Oak Academy for English lessons for the next 2 weeks. There is a video for each day where you will be asked to complete activities. I will also provide extra resources to support with writing of biographies.

### **Year 3/4**

Science

Create a fact sheet/ power point about space and the planets that could be used to teach your peers. How many planets are there? What are they called? Which is the largest/ smallest planet? Find out some interesting facts about each planet.

Explore the bubbling planet experiment. Can you make planets of different sizes? Which ones will disappear the quickest/ slowest? Why?

<https://www.twinkl.co.uk/resource/t-t-252049-eyfs-bubbling-planets-science-experiment-and-prompt-card-pack>

Identify different light sources including the sun and investigate shadows. Shadows can be investigated using torches on a dull day. Look at objects and living things. Observe objects and their shadows. Discuss the shapes and changes to the shapes due to movement and sun position. What happens at different times of day? Take photos

### **Geography**

Find out about countries that have attempted space travel. Which countries were successful? Find these countries on a map.

Draw/ create a model solar system. Can you label the distances between each planet? Label the planets. Be creative with your models, you could use different fruits, junk, paper Mache, balloons.

### **History**

Find out about Neil Armstrong. Who is he? What did he do? Write a biography about him.

Investigate early space travel. When did people first try to travel to the moon? What was the name of the first space craft? How many attempts have been made throughout history? Create a space travel timeline.

### **Art & DT**

Design and build a rocket. Can you make your rocket fly? Think about the materials you need to gather and their suitability for your rocket. Test out your rocket ship. What made it effective? What could be improved? Evaluate your design.

This painting is called Starry Night and was painted by the artist Vincent Van Gogh. Create your own starry night painting.

Create some constellation art.

Make a universe in a jar.
