...everyone in our Trust.

WEEKLY EXPECTATIONS

Reading	Please read with your child at least 5 times per week. In your child's yellow reading record are some comprehension questions that you can adapt to the book that they are reading. Please record every time your child reads to you – no matter their age/ability!
Maths	Your child has been sent home with a mathematics folder. Each sheet correlates with the work that they are doing in class that week (1 box per day). Therefore, please only complete the sheet with the correct week on . Some activities may involve using manipulatives and mathematical language rather than written mathematics. Please note down any relevant information you feel a teacher may need to know on this style question. Please return the folder by Thursday 8th February.

HALF TERMLY PROJECTS

These activities are linked to the children's wider curriculum learning. Please choose one project from below, complete and **bring into school by Thursday 8th February** to share with the children in their class.

Science:

Go on a walk and log all the sounds that you can hear. Describe the sounds e.g. volume and pitch.

History:

Find out who Samuel Pepys is and write a diary entry as if you had experienced the Great Fire of London.

Computing:

Download and play the Daisy the Dinosaur app. Explore coding and learn the basics of computer programming.

PSHE:

Talk about who can keep you safe, draw and label pictures of them.
